DESIGN EXPERIENCE

UI/UX Designer
Yaspa, London
January 2025 - Present

- Cross-functional designer for high growth open banking fintech.
- Leading on the redesign of a B2B admin dashboard.
- Promoted the use of a design system and regular design reviews to enhance design-to-development efficiency.
- Support and guide junior colleagues through their work.
- Improve visual consistency and accessibility, strengthening client confidence in a highly regulated fintech environment.

UI Designer
ARKK Solutions, London
August 2021 - December 2024

- Owned UI the design function for award winning financial automation platform.
- Responsible for all high fidelity designs and handoff to development, recording and communicating design decisions in cross-functional teams for complex financial processes.
- Created wireframes, organised content, constructed flows and wrote copy.
- Created the company's first comprehensive component library.

Digital Designer
Parent Zone, London
February 2020 - August 2020

- In-house Designer for social enterprise supporting digital family life.
- Produced all design assets and created the branding for a well-being app alongside Children in Need.

OTHER EXPERIENCE

Team Assistant
7 Digital, London
2017 - 2018

- Commercial and Legal team assistant for B2B music services provider, in addition to PA for the General Counsel.

Customer Service Assistant
Songkick, London
2016

- Answered customer queries, managed shipment of tickets and maintained gig listings.

Customer Service Assistant
BorrowMyDoggy, London
2015

- Answered customer enquiries and assisted the operations team in helping people borrow local dogs.
