

EXPERIENCE

Yaspa / UI/UX Designer

London / January 2025 - April 2026

- Led end-to-end design for open banking solutions, managing discovery, prototyping and delivery
- Simplified complex B2B dashboards, improving task efficiency by 40%
- Translated complex financial workflows into intuitive user experiences alongside product and engineering
- Built a scalable design system, improving consistency and delivery speed in a high-growth environment

ARKK Solutions / UI Designer

London / August 2021 - December 2024

- Led UI design for enterprise tax and compliance software, interpreting and presenting complex technical workflows to stakeholders and users
- Created the company's first design system from scratch, establishing shared components, patterns and documentation
- Designed data-heavy interfaces supporting complex financial workflows for enterprise users

Parent Zone / Digital Designer

London / February - August 2020

- Designed digital experiences and brand assets for a social enterprise, including a wellbeing app in partnership with Children in Need
